

Dr. Tadros has a true passion for cosmetic dentistry while always ensuring quality comprehensive care for her patients. She values the importance of discussing variable treatment options with patients and assisting them in selecting the best plan for them. She is currently the board-certified dentist of the Academy of Cosmetic Dentistry in Fort Lauderdale. Dr. Tadros attended a vigorous top ranked residency program at the University of Florida and has since participated in over 750 hours of courses advancing her training and skills. Due to her extensive training and advanced cosmetic and surgical skills, she has obtained the prestigious Fellowship status in the Academy of General Dentistry. Furthermore, due to her vast knowledge and experience along with courses and cases completed involving implants placed and restored, she has received a Fellowship in Implantology. Dr. Tadros is a Kois Advanced Center Trained Dentist who practices minimally invasive dentistry and thorough risk assessment for each case.
